

Office of the National Ombudsman

Regulatory Fairness Hearing

Tuesday, March 24, 2015 | Virginia Beach, VA

A forum for members of the small business community to present testimony on federal regulations impacting small businesses.

National Ombudsman Brian Castro will convene a regional hearing to hear testimony from small business owners, representatives of trade associations, and other members of the small business community regarding federal regulations and enforcement and compliance actions impacting America's small businesses.

SBA Region 3 Regulatory Fairness Board Member Doña Storey will participate.

The National Ombudsman convenes regulatory fairness hearings and roundtables across the country to give small business owners a means to comment on unfair enforcement actions, government audits, and excessive fines or regulations. It is anticipated that during this hearing small business stakeholders will testify on a number of wide-ranging issues. Issues reported by participants undergo a high-level fairness review at the appropriate federal agency, and the Office of the National Ombudsman works with its federal agency partners to address those concerns, reduce regulatory burdens, and help small businesses grow.
